

Understand Your Flying Risks, and Make Better Decisions (Stay For Free Pizza and Soft Drinks)

"Shades of Gray" is a practical approach to refining aviation decision making.

"Maneuvering, Approaches and Landings - A Risk Management Approach" is an FAA developed program which drives home the need to skillfully manage risks.

Directions: From Liberty Missouri, take I-35 North, exit US 69 North, continue about 6.5 miles. Just past the convenience store at Mosby, turn left, cross the highway and continue on Rhodus Road. Follow Rhodus Road to the airport, park in lot just east of the fence, seminar in large hangar just south of the FBO. Visit the MNAC website at:
<http://www.midwestnationalaircenter.com/>

A message from the National FAASafetyTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
